<b>CALIFORNIA SELECT</b>	Hot & aggressive flavour! Great garlic taste. 12-20 cloves/bulb. Silverskin type. Good long term storage.
<b>CARIBOO</b>	Strong flavour with good heat! Unknown origins. Porcelain type. Very good storage of 8-9 months.
<b>CONTINENTAL</b>	Very juicy! Flavour is mild when harvested, hotter after curing. Porcelain type. Good long term storage of 8-9 months.
<b>EARLY ROSE</b>	First garlic of the season. Full flavour with a mellow aftertaste. Flavour remains after cooking. Turban type. Short storage of 3-5 months.
<b>FRENCH</b>	Strong taste, a bit aggressive, but the heat fades quickly. Porcelain type, prized by chefs. Good long term storage of 8-10 months.
<b>GEORGIAN FIRE</b>	Raw, the taste is strong with a pleasant heat. Great for salsa! Porcelain type. Good long term storage of 8-9 months.
<b>INCHELIUM RED</b>	A top rated softneck at Rodale Kitchens 1990 taste test. Mild & complex lingering flavour. 8-20 cloves/bulb. Artichoke variety. Stores well. Heirloom from Washington state.
<b>ITALIAN</b>	Mild when first harvested, it gets hotter as it cures. Strong, complex flavour. Artichoke type. Long term storage of 8 months +.
<b>MARINO</b>	Classic buttery taste, great flavour. Mild but sharp taste, sweet rich flavour. Rocambole type. Short storage of 4-5 months.
<b>METECHI</b>	Robust, complex flavours with a sharp bite. HOT! Easy to peel. Excellent taste, great roasted! Marbled purple stripe type, stores very well.
<b>MUSIC</b>	Rich & sweet, caramelly when roasted. Spicy raw flavour. Medium hot, strong character. Porcelain type. Great long term storage of 9-12 months.
<b>ROMANIAN RED</b>	Firey hot, with lingering tangyness. Rich & robust flavour. Highest level of allicin. Porcelain type. Good long term storage of 8-9 months.
<b>RUSSIAN RED</b>	Hot, but not a scorcher. Great garlic taste. Very flavourful, often winning 'best baked garlic'. good mid term storage of 6-8 months.
<b>SPANISH ROJA</b>	Strong hot & spicy taste, full flavour! Rich, sweet, complex, full-bodied flavour. Rocambole type. Medium storage of 6-7 months.
<b>TIBET</b>	Large, bold & domineering taste, one of most flavourful with a sneaky delayed punch. Purple stripe type. Very flavourful, prized by chefs. Long storage.
<b>UZBEK</b>	Collected from Uzbekistan. Superior complex flavour. Taste is hot when raw, mild when cooked. Short storage of 3-5 months.
<b>WHITE SWAN</b>	Robust flavour! The elegant bouquet retains its flavour during cooking. Hard dense bulbs. Silverskin type. Best long term storage.
<b>YUGOSLAVIAN</b>	Strongest flavour, fabulous baked! Lots of heat. Large cloves. Porcelain type. Good long term storage of 8-9 months.
