

**LAUGHING SWAN FARM**

**2024 GARLIC**

<b>BEAVERLY</b>	Pleasant heat, great garlicky taste! A real Canadian garlic from Prince George area. Marbled purple stripe type. Very good storage. <span style="float: right;">Limited amount.</span>
<b>CONTINENTAL</b>	Very juicy! Flavour is mild when harvested, hotter after curing. Huge cloves! Porcelain type. Good long term storage of 8-9 months.
<b>EARLY ROSE</b>	First garlic of the season. Full flavour with a mellow aftertaste. Flavour remains after cooking. Turban type. Short storage of 3-5 months.
<b>FRENCH</b>	Strong taste, a bit aggressive, but the heat fades quickly. Prized by chefs. Porcelain type. Good long term storage of 8-10 months.
<b>HUNGARIAN</b>	Initial heat fades to a mellow caramelly warmth. Full bodied flavour. Easy to peel Rocamboles type. Short storage of 3-6 months. <span style="float: right;">Limited amount</span>
<b>ITALIAN</b>	Mild when first harvested, it gets hotter as it cures. Strong, complex flavour. Artichoke type. Long term storage of 8 months +.
<b>MARINO</b>	Classic buttery taste, great flavour. Mild but sharp taste, sweet rich flavour. Rocamboles type. Short storage of 4-5 months.
<b>ROMANIAN RED</b>	Firey hot, with lingering tangyness. Rich & robust flavour. Highest level of allicin. Porcelain type. Good long term storage of 8-9 months.
<b>RUSSIAN RED</b>	Hot, but not a scorcher. Great garlic taste. Very flavourful, often winning 'best baked garlic'. Marbled purple stripe. Good mid term storage of 6-8 months.
<b>SPANISH ROJA</b>	Strong hot & spicy taste, full flavour! Rich, sweet, complex, full-bodied flavour. Rocamboles type. Medium storage of 6-7 months.
<b>TIBET</b>	Large, bold & domineering taste, one of most flavourful with a sneaky delayed punch. Purple stripe type. Very flavourful, prized by chefs. Long storage.
<b>UZBEK</b>	Collected from Uzbekistan. Superior complex flavour. It is hot when raw, mild when cooked. Short storage of 3-5 months.
<b>YUGOSLAVIAN</b>	Strongest flavour, fabulous baked! Lots of heat. Large cloves. Porcelain type. Good long term storage of 8-9 months.
